Offers are subject to qualifying purchases, available stock and the full terms on page 2.

PROMOTIONAL TERMS & CONDITIONS

End-of-year customer offers | Closing date: 14 December 2026

1. The promotions are available from the official launch date until Monday, 14 December 2026.
2. Qualifying orders must be submitted and confirmed by PFA no later than the closing date.
3. The promotions are available to existing PFA customers and qualifying new customers.
4. New customers must complete and submit the required PFA customer application form. The application must be approved before the promotional order can be processed.
5. The iCan i6 offer requires the purchase of two qualifying iCan i6 CGM sensors in one transaction. The complimentary starter kit is subject to approved contents and stock availability.
6. The CardioChek offer requires the purchase of four qualifying boxes of CardioChek Dual Strips in one transaction. The complimentary item is limited to 100 lancets per qualifying order.
7. A customer purchasing two qualifying PTS Smart Bundles in one transaction during the promotional period will receive an entry into the draw, subject to the final approved entry allocation.
8. The selected Smart Bundle winner will receive the equivalent of the qualifying purchase in the same products. No cash refund or cash payment will be made.
9. The Smart Bundle prize will become available from January 2027 and must be claimed by 30 April 2027. An unclaimed prize will be forfeited after this date.
10. Complimentary products and prizes cannot be exchanged for cash, transferred or substituted for unrelated products.
11. Offers may not be combined with other promotions, contract prices or special discounts unless approved in writing by PFA.
12. All offers are subject to promotional stock availability and successful verification of the qualifying purchase.
13. PFA reserves the right to amend, suspend or withdraw an offer where reasonably necessary.
